

CHRISTIAN BUILDING REFURBISHMENT PROJECT

“OUR COVENANT FOR THE FUTURE”

It has been agreed by the Session and the Congregational Board to launch a fund raising scheme to enable all to share in our refurbishment project. This includes replacing the pews downstairs with chairs, re-flooring the church and installing an under floor (eco-friendly) heating system, providing both a new lighting and sound system and to finish off, re-decorating the church building.

The main fundraising drive which all can take part in is by sponsoring either:

**Church chairs at £250 each or
Metres of flooring at £25 per metre**

Sponsorship can be either by individuals, families, groups or organisations and as a one-off payment or by instalments prior to the end of March 2010. Gift Aid will be recovered at the rate of 28p to a pound given, as long as the giver is a tax payer.

Our target of 100 chairs and metres of flooring, if fully gift aided would raise over £35,000 – Let’s all join in and exceed this target!

All giving will be recognised by issuing of a Covenant Certificate which will be bound in a book to be kept in our new kirk.

“OUR COVENANT FOR THE FUTURE”

I COVENANT TO SPONSOR THE CHURCH REFURBISHMENT

..... CHAIR/S AT £250 EACH £.....
